Mr. Hoyt

As per our telephone conversation of May 22, 1998 this letter is in explanation for our request for a EPA Identification number. A. Fiore & Sons Sanitation has entered into an agreement with the NJDEP to operate a " Solid Waste Transfer Station/Material Recovery Facility". This facility is identified by a NJDEP facility registration number #0714000326. NJDEP has included in the " Administrative Consent Order" for this facility to obtain a EPA identification number. This requirement has been included in order to facilitate disposal of any hazardous waste that may be found in a load accepted at the facility.(REF: Page 12 #20 item b of the " Administrative Consent Order".
If I may answer any questions please feel free to contact me.

Thank You

IN THE MATTER OF : AMENDED ADMINISTRATIVE
A. FIORE & SONS : CONSENT ORDER

This AMENDED ADMINISTRATIVE CONSENT ORDER is entered into pursuant to the authority vested in the Commissioner of the New Jersey Department of Environmental Protection, (hereinafter "the Department"), by N.J.S.A. 13:1D-1 et seq. and the Solid Waste Management Act, N.J.S.A. 13:1E-1 et seq. and the Solid Waste Utility Control Act, N.J.S.A. 48:13A-1 et seq., and duly delegated to the Assistant Commissioner of Compliance and Enforcement pursuant to N.J.S.A. 13:1B-4.

FINDINGS

WHEREAS, A. Fiore & Sons, Inc. operates a solid waste transfer station/material recovery facility located on Block 434, Lots 10, 35, 45 and 47 within the City of Newark in the County of Essex. This facility is identified by a NJDEP facility registration number #0714000326.

WHEREAS, A. Fiore & Sons, Inc. has operated pursuant to an administrative consent order, dated November 26, 1985 and December 4, 1984, which has required revision to bring the facility to appropriate environmental standards, and

WHEREAS, A. Fiore & Sons, Inc. and the NJDEP have long been involved in a series of litigations and the parties are desirous of reaching an amicable resolution of which this Amended Administrative Consent is a component.

WHEREAS, A. Fiore & Sons, Inc. provided the NJDEP with a response to certain information requests in a letter dated April 29, 1998 from James Anderson to Tom Byrne ("Response Document") describing the proposed operations of the facility.

and processing and structural equipment. The plan shall identify the types of problems which are to be looked for during the inspection and the frequency of inspections.

The results of all inspections shall be recorded in a bound inspection log. These records shall include the date and time of the inspection, the name of the inspector, a notation of observations, recommendations and the date and nature of any repairs or other remedial action taken. These records shall be made available for inspection by the appropriate representatives of the Department upon request.

A maintenance plan shall include an analysis of spare parts inventory needs, schedule for anticipated repairs or major equipment replacement and maintenance contracts with equipment dealers to supply standby or emergency equipment.

20. Unauthorized Waste

A. Fiore & Sons, Inc. shall implement the procedures established to detect and remove unauthorized waste from the waste stream entering the facility as described in the documents referenced in Condition Number 4. A. Fiore & Sons, Inc. shall implement the following procedures:

- a. Continuous visual monitoring of the delivered waste by the facility personnel. Any suspected unauthorized waste shall be removed from the processing stream; and
- b. Provisions to ensure that any suspected hazardous waste, waste-containing drums or liquids that may be found in a load accepted at the facility are not returned to the generator. Such material shall be segregated and stored in a manner in an area within the building and its discovery shall immediately be brought to the attention of the NJDEP Environmental Action Line at (609) 292-7172 (available 24 hours per day including weekends and holidays). Such waste shall be handled as hazardous waste for storage and disposal purposes unless otherwise directed by the Department. The Permittee shall obtain an EPA ID Number as a hazardous waste generator in order to facilitate disposal of this type of waste.

Any negligent or known processing of any hazardous waste or other unauthorized waste shall be cause of revocation of the Amended ACO.

21. Facility Staffing

The facility shall maintain sufficient staff to ensure proper, orderly and safe operation of materials handling, processing, monitoring, control, safety, emergency and security equipment

INSTRUCTIONS AND DEFINITIONS

In responding to this request for information, apply the following instructions and definitions:

1. The signatory should be an officer or agent who is authorized to respond on behalf of the company or facility.
2. A complete response must be made to the question in this request for information. Identify the answer with the number of the question to which it is addressed.
3. In preparing your response to the question, consult with all present and former employees and agents of the company or facility who you have reason to believe may be familiar with the matter to which the question pertains.
4. In answering the question, identify all contributing sources of information.
5. If you are unable to answer the question in a detailed and complete manner or if you are unable to provide any of the information or documents requested, indicate the reason for your inability to do so. If you have reason to believe that there is an individual who may be able to provide more detail or documentation in response to the question, state that person's name and last known address and phone number and the reason for your belief.
6. If you cannot provide a precise answer to the question, please approximate and state the reason for your inability to be specific.
7. If anything is deleted from a document produced in response to this request for information, state the reason for and the subject matter of the deletion.
8. If a document is requested but is not available, state the reason for its unavailability. In addition, identify any such document by author, date, subject matter, number of pages, and all recipients and their addresses,
10. The company and/or facility for the purposes of this request for information is A. Fiore & Sons Sanitation, 1230 McCarter Highway, Newark, New Jersey 07104.
11. A solid waste for the purposes of this request shall be defined as any discarded material that is not excluded by 40 C.F.R. § 261.4(a) or that is not excluded by variance under

§ § 260.30 and 260.31. A discarded material is any material which is abandoned, recycled, or considered inherently waste-like.

12. Waste sawdust is any sawdust other than virgin, unused sawdust which has been used as an absorbent, bedding, cushioning agent, or degreaser. Waste sawdust may be categorized as a solid waste.

ATTACHMENT I

1. Do you remove solid waste, specifically, garbage, from Ella Industries, Inc., 40 Elwood Avenue East, Newark, New Jersey 07104? Have you ever removed waste sawdust from Ella Industries as a waste which has been separated from their ordinary garbage? If available, please submit records, including dates of solid waste removal that include waste sawdust, either as a waste by itself or mixed with ordinary garbage, or both, dating back three years from the date of this Request. You may submit these records in the form of receipts, invoices, bills of lading, or other suitable record of transaction.
2. Where have you taken any solid waste removed from Ella Industries for the past three years? Please include the name of the contact person(s), the facility name(s), and the address(es) of each site(s). In addition, if you have removed solid waste from Ella Industries for longer than three years, please provide the name(s) and address(es) of these sites. Please describe briefly the type of facility each one is, e.g., municipal solid waste landfill, incinerator, recycling facility, etc.
3. Does the company have any facilities or subsidiaries in addition to the one to which this Information Request is addressed? If the answer is yes, and if any of these facilities or subsidiaries have removed the type of solid waste described in question "1" from Ella Industries, please provide the name of the contact person(s) and the name(s) and address(es) of any and all such facility(s).
4. Please identify each person by name and position held at the company who prepared or assisted in the preparation of the responses to this Information Request.

ATTACHMENT II

INSTRUCTIONS AND DEFINITIONS

In responding to this request for information, apply the following instructions and definitions:

1. The signatory should be an officer or agent who is authorized to respond on behalf of the company or facility.
2. A complete response must be made to the question in this request for information. Identify the answer with the number of the question to which it is addressed.
3. In preparing your response to the question, consult with all present and former employees and agents of the company or facility who you have reason to believe may be familiar with the matter to which the question pertains.
4. In answering the question, identify all contributing sources of information.
5. If you are unable to answer the question in a detailed and complete manner or if you are unable to provide any of the information or documents requested, indicate the reason for your inability to do so. If you have reason to believe that there is an individual who may be able to provide more detail or documentation in response to the question, state that person's name and last known address and phone number and the reason for your belief.
6. If you cannot provide a precise answer to the question, please approximate and state the reason for your inability to be specific.
7. If anything is deleted from a document produced in response to this request for information, state the reason for and the subject matter of the deletion.
8. If a document is requested but is not available, state the reason for its unavailability. In addition, identify any such document by author, date, subject matter, number of pages, and all recipients and their addresses,
10. The company and/or facility for the purposes of this request for information is A. Fiore & Sons Sanitation, 1230 McCarter Highway, Newark, New Jersey 07104.
11. A solid waste for the purposes of this request shall be defined as any discarded material that is not excluded by 40 C.F.R. § 261.4(a) or that is not excluded by variance under

§ § 260.30 and 260.31. A discarded material is any material which is abandoned, recycled, or considered inherently waste-like.

12. Waste sawdust is any sawdust other than virgin, unused sawdust which has been used as an absorbent, bedding, cushioning agent, or degreaser. Waste sawdust may be categorized as a solid waste.

You may, if you so desire, assert a business confidentiality claim covering all or part of the information herein requested. The claim may be asserted by placing on (or attaching to) the information at the time it is submitted, a cover sheet, stamped or typed legend, or other suitable form of notice employing language such as "trade secret," "proprietary," or "company confidential." The claim should set forth the information requested in 40 C.F.R. Part 2.203(b). Information covered by such a claim will be disclosed by EPA only to the extent permitted by, and by means of procedures set forth in, 40 C.F.R. Part 2. If no such claim accompanies the information when it is received by EPA, it may be made available to the public by EPA without further notice to you.

This Information Request is exempt from the requirements of the Paperwork Reduction Act of 1980, 44 U.S.C. Part 3501 et seq.

Failure to respond in full to this requirement is a violation of RCRA and may result in federal enforcement action pursuant to Section 3008 of RCRA, 42 U.S.C. Section 6928.

If you have any questions about this letter, please call Mr. Lee Spielmann of the Office of Regional Counsel at (212) 264-9793.

Sincerely yours,
